# Fairy Dance

By Rebecca T. Besser

I saw a fairy dancing in the rain.  
It can't be real, I told my brain.

Spinning and fluttering, dodging drops,  
on flower petals she skips and hops.

The sun broke through the clouds overhead,  
and light shone down on the flower bed.

The garden sparkled in colorful wonder,  
even as the world clapped with thunder.

She jumped at the loud booming sound,  
taking cover under a mushroom she'd found.

I blinked and she was there no more.  
She'll be back another rainy day I'm sure.
