

# Canadian Provinces & Territories

## Matching Game

### Materials:

This game is played like the memory match card game that many children are familiar with. It is designed to help them learn about provinces, territories, and their capital cities.

### Materials:

Canadian provinces, territories, and capitals cards (pages 2-3)  
Canadian symbol cards (pages 2-3)

### Set up:

Print the cards on thick paper.  
Cut the cards on the dashed lines.

### How to Play:

Mix up the cards and lay all them upside-down on the table in a grid pattern.

Players flip pairs of cards, trying to match a province or territory with its capital.  
(example: Ontario and Toronto are a match.) Two cards with identical pictures are also a match.

Player 1 flips two cards. If the cards match, he or she gets to keep both cards. If the cards do not match, then the cards are flipped back upside-down.

Then, player 2 gets a turn to try to flip matching cards. Players alternate until all cards have been removed from the game.

When the game is over, the player with the most cards is the winner.
