# A Year in a Poem

By Guy Belleranti

Drink lots of water  
On hot summer days  
And put on sunscreen  
To block the sun's rays.

When autumn leaves fall  
Rake them in a pile.  
Then jump happily  
In the leaves and smile!

Spring greets with birdsong  
And plants in flower,  
Then adds a surprise—  
A cool, wet shower!

Winter soon follows.  
Spend warm time inside.  
But after it snows  
Get your sled and slide!
