- Be sure each sentence makes sense, begins with a capital letter, and ends with a punctuation mark.
- Check to make sure you underlined each spelling word.
- Be sure each sentence has 7 or more words in it.
- Check to make sure you numbered your sentences and typed your name at the top of the page.

### Step 3: Adjust the font and size.

- Choose a basic font that is easy to read, such as Arial or Verdana.
- Your font size should be between 12 and 16 point.

### Step 4: Save or print your file, as per your teacher's instructions.

## Teacher Notes

- We suggest you disable automatic numbering. It can be confusing for students, especially if they are leaving blank lines between sentences with the enter key.
- We also suggest that you disable the spelling autocorrect feature. This will prevent the computer from correcting words automatically, without the student noticing.
