Transition Words

Some transition words can help readers understand the sequence or timing of events in a text.

Examples of transition words that help a reader understand time include:

before	after	next	meanwhile	finally
first	since	during	then	lastly

Write a sentence, or a pair of sentences, using each transition word. Be sure your transition words connect two sentences or ideas together. Underline the transition words in your sentences.

examples:

afterwards Ginny went to breakfast with her father. Afterwards, they went grocery shopping.

1. before

2. finally

3. s

4. then

5. during
