

Name: _____

Superstar Dad

by Guy Belleranti

Father's Day is here
And I am really glad
That I am your kid
And that you are my dad.

Monsters in closets
Run away when you come.
You're not upset when
I blow bubbles with gum.

Whenever I'm sad
You give comforting hugs.
You're never afraid
When I bring you big bugs.

You laugh at my jokes,
And your jokes are great, too.
I have lots of fun
When I do stuff with you.

You're strict, but real fair
When I do something bad.
You've taught me a lot—
You're my superstar Dad!
