

Name: _____

Bald Eagles

Bald eagles aren't bald. They're birds! They don't have hair at all. What bald eagles do have are white heads. They have white tails too.

Eaglets are gray and fuzzy when they hatch. The feathers they grow are brown all over. Their head and tail feathers change as they get older. Those parts turn white after 4 or 5 years. Their beaks change color too. They turn from brown to yellow.

1. What is an eagle?
