

Name: _____

Pumpkin to Carve

by Rebecca Besser

Tim loved jack-o-lanterns and was excited about carving a pumpkin with his parents. He dreamed of pumpkins big and small. He thought about silly faces, and even scary faces for his pumpkin.

Finally the day arrived when it was time to go to the farmer's market and pick the perfect orange pumpkin to carve. He looked over all the pumpkins until he found just the right one.

He took his pumpkin home and, with his parents help, carved two round eyes, a nose, and a scary, but smiling mouth in his pumpkin.

When it got dark out that night, his parents lit a candle inside the pumpkin, and it glowed brightly for everyone to see.

Tim was
