# Real-Life Connector

**Your job:**

Your job is to find parts from the story that remind you of things that happened to you or someone else in real life. When you describe the real-life connection, give as many details as possible.

**When you meet with your group:**

Describe the section of the story that reminds you of real life. Then, tell how something similar happened to you or someone you know. After that, you can ask everyone in your group if anything similar has happened to them or someone they know.
