# The Pi Song

by Katherine Rollins

(Sing to the tune of "The Wheels on the Bus")

The wheels on the bus are measured with pi,

Measured with pi,

Measured with pi,

The circumference of the wheels are measured with pi,

Pi times diameter.

The area of the wheels are measured with pi,

Measured with pi,

Measured with pi,

The area of the wheels are measured with pi,

Pi times radius squared.

The driver on the bus says "Three-point-one-four",

Three-point-one-four,

Three-point-one-four,

The driver on the bus says "Three-point-one-four",

That's the number of pi.
