Leaf Sum Game

Skills Overview
• Students will practice finding pairs of numbers that add up to 10.

Number of Players
• 2 or 3

Material
• Game board
• Crayons (Different color for each player)

Management suggestions
• You may want to limit the amount of time a player is given to find a pair of numbers. (For example, if a player can’t find a matching pair in 20 seconds, they lose their turn.)

Differentiation
• The last page of this file has a blank template so teachers or students can create their own custom version of the game.
