Three fact family cards are shown, each with a dashed border. The first card is an upright triangle with the number 10 at the top vertex, 7 at the bottom-left vertex, and 3 at the bottom-right vertex. It contains two hexagons: one with a minus sign and a plus sign, and another with a plus sign and a minus sign. The second card is an inverted triangle with the number 12 at the top vertex, 8 at the bottom-left vertex, and 4 at the bottom-right vertex. It contains two hexagons: one with a minus sign and a plus sign, and another with a plus sign and a minus sign. The third card is an upright triangle with the number 4 at the top vertex, 3 at the bottom-left vertex, and 9 at the bottom-right vertex. It contains two hexagons: one with a minus sign and a plus sign, and another with a plus sign and a minus sign.
