

Name: \_\_\_\_\_

## Articles: A and An

Articles are a kind of adjective. The most common articles are **a** and **an**. The word **a** is used before words that begin with a consonant sound. The word **an** is used before words that begin with a vowel sound.

**NASA built a rocket to lift cargo into space.**

Since the word *rocket* begins with a consonant, you use the word **a**.

**Would you like to go on an adventure in space?**

Since the word *adventure* begins with a vowel, you use the word **an**.

Write the word **a** or **an** on each blank line below.

1. Neil Armstrong was \_\_\_\_\_ astronaut who walked on the moon.
