Materials:

- One die
- Printed game board with lowercase letters.

Preparation:

Print the game board and attach both halves together with glue.

How to play:

- This game can be played with individual students or small groups.
- The student rolls the die. The number that he/she rolls is the number of the column that he/she must read aloud.
- To build fluency, encourage the student to read all letters, as quickly as possible.
- If multiple students are playing together, they can take turns rolling the die and reading the columns of letters.
