Picture (Cover - Page 1)
The picture or glued picture accurately portrays the student’s animal. The picture is neat, colored, and detailed.

Overview (Page 2)
Student has answered all questions on this page. Answers are accurate and complete.

Anatomy (Page 3)
Student has accurately drawn the animal and labeled all major body parts. Paragraph describes the animal's covering, color, length or height, weight and other anatomical information.

Habitat (Page 4)
Student has accurately identified continents and/or oceans where the animal lives. Paragraph tells where the animal lives, describes the ecosystem and climate of the animal's habitat. Paragraph is written in complete sentences.

Interesting Facts (Page 5)
The student listed five facts about the animal. The facts are accurate and not repeated from elsewhere on the report. The student wrote in complete sentences.

Bibliography (Page 6)
At least 2 resources of information are listed. Titles, authors, and website addresses are included and written properly.

Presentation
Handwriting is clear and easy to read. Words are spelled correctly. There are no wrinkled or ripped pages in the packet.

Total Grade (out of 100)
