

# New School Year Survival Kit

Welcome your students back to school with a new school year "survival kit" filled with meaningful goodies and a printable note, below!

# New School Year Survival Kit

A **highlighter**, to remind you that this year will be filled with many highlights.

An **eraser**, to remind you that it's okay to make mistakes because this is how we learn and grow!

**Stickers**, to let you know that we can accomplish amazing things if we stick together as a class team!

**Smarties**, to remind you that you are capable of learning so much and making great strides this year.

**Starbursts**, to let you know I am bursting with excitement to get to know you and help you succeed.

**Crayons**, to help you see that you are creative, unique, and a work of art.
