Find three tricky words from your reading assignment. If you’re not sure what a word means, ask an adult or look it up. Write the words and the definitions below.

word - ____________________________ page - ____________

definition - ______________________________________________________________

word - ____________________________ page - ____________

definition - ______________________________________________________________

word - ____________________________ page - ____________

definition - ______________________________________________________________

When you meet with your group, read the passages with your vocabulary words. Have your friends tell what they think the word means.
