   a. pesky
   b. bored
   c. disobedient
   d. happy

5. At the end of Chapter 2, what startling discovery did Henry make?
1. How would you describe Henry Green?

Henry Green was a normal boy, from a normal family, but he loved chocolate. He ate chocolate for breakfast, lunch, and dinner, and all the times in between. He loved it so much that some people say he was hatched from a chocolate bean instead of being born.

2. Why did Henry's parents let him have as much chocolate as he wanted?

Henry's parents let him have as much chocolate as he wanted because it didn't make him fat, it didn't hurt his teeth, it didn't stunt his growth, it didn't harm his skin, and most of all it never gave him a belly ache.

3. What was wrong with Henry the morning he was going to school?

a. He felt strange.
b. He ate too much chocolate.
c. He lost his dog.
d. He got separated from his brother.

4. What word describes what Henry was usually like in the schoolyard?

a. Pesky
b. Bored
c. Disobedient
d. Happy

5. At the end of Chapter 2, what startling discovery did Henry make?

Henry noticed that he suddenly had small brown spots all over his arms.
