4. How did Jack[illegible] e started dancing?

   When Jack starte[illegible] lt his heart leap and his [illegible] e danced everything in his min[illegible] d worries.

5. Describe the knights. What did the music do to them?

   The knights looked tired and sick. Their hair and beards were long and scraggly, and their faces were bony and pale. Their eyes stared wildly and their lips were frozen in ghostly smiles. The music drained the life out of them. The music was addicting and they were literally dancing themselves to death.
