The Outsiders

Chapter 10

In your own words, describe the events of Dallas Winston's death. Be sure to explain why he acts the way he does and what his ultimate intention was. Using specific examples of word choice, explain how the setting and description help create a specific mood. In your multi-paragraph response, analyze how the mood and imagery help the reader understand Dally's actions and the importance of this moment in the story.

(Remember: mood is how a text makes a reader feel.)
