1. **Create a new Book Cover for Bunnacula.**

Draw a new front and back cover for the book, *Bunnacula*. The front cover should contain pictures of the characters, the authors' names, and the title of the book. The back cover should contain a short paragraph that promotes the book and a few sentences about the author.

Your book cover should be neatly drawn and written on a folded sheet of 8½ by 11 inch paper. You will be graded mostly on your written book promotion on the back and your "about the author" sentences. Neatness of your handwriting and illustrations will also count towards your grade.

3. **Write Your Own Test.**

Pretend you're a teacher. Write your own test to go along with *Bunnacula*. Your test should have 15-20 questions. You can write multiple choice questions, fill-in-the-blank questions, short answer questions, and/or essay questions. Be sure your questions are about the main ideas in the story, not just small details. Also, include an answer key on a separate sheet of paper.

Your test should be typed or neatly hand-written. You will be graded on how well you understand the story, quality of your questions, and accuracy of the answer sheet. Neatness counts too.
