Think about two specific events that happened in the story. For each event, tell how something similar has happened to you (or someone else) in real life.

Event from the Story #1:  
________________________________________________________________________  
________________________________________________________________________  
Real-Life Connection:  
________________________________________________________________________  
________________________________________________________________________  
________________________________________________________________________  
________________________________________________________________________  

Event from the Story #2:  
________________________________________________________________________  
________________________________________________________________________  
Real-Life Connection:  
________________________________________________________________________  
________________________________________________________________________  
________________________________________________________________________  
________________________________________________________________________
