1. Cut out your cootie catcher and color it. Place the square faceup and fold and unfold the square in diagonals from corner to corner so you end up with x shaped creases.

2. Place the square facedown and fold each of the four corners in so the points meet in the center.

5. Slide both thumbs and index fingers under the four flaps.

6. Pinch the top corners together with the thumbs and fingers under the flaps to form a point.
How to play:

1. Choose one of the colors printed on the outside square (red, blue, green, or orange).
