I begin as a seed. I grow up to be very useful.

People make pencils and paper from me. They make chairs, tables, and houses from me.

Some animals make me their home. Birds, snakes, and monkeys may live in me.

I am usually green and brown. In the fall I may also be yellow, orange, and red. I help to make the world a pretty place.
I give shade on hot summer days.

I join with others like me to make a forest.

I am a tree.
