the printable version of this worksheet.

Wh

You eat me. I am very
good for you. I give
you vitamin C and
other good things.

B-2

Monday's
Clue

People like to eat me
on hot summer days
because I have a lot
of water in me.

B-2

What am I?

Friday's
Clue

What color am I?

I am green on the outside. I am usually a red-pink color on the inside. My inside can also be orange, yellow, or white.

What am I?

Bonus
Clue

Be careful if you pick me up. I am rather heavy and, if you drop me, I will break open. Inside, I am filled with many small seeds.

What Am I?

By Linda Andersen

I grow on vines on the ground.

My name is a compound word. That means
two small words make up my long name.

You can eat me. I am good for you. I am a fruit. I have a lot of seeds. I am a good thing. I have a lot of water.

What color am I? I am green on the outside. I am usually a red-pink color on the inside. My inside can also be orange, yellow, or white.

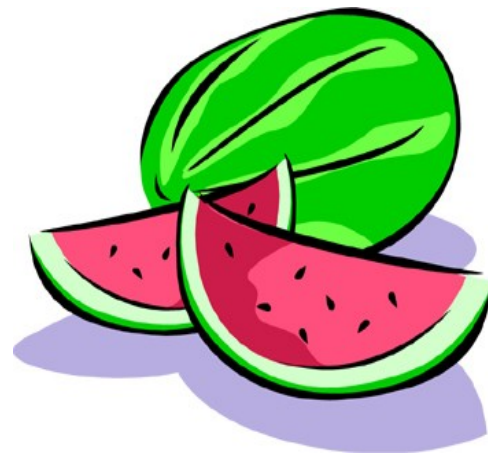

Be careful if you pick me up. I am rather heavy and, if you drop me, I will break open. Inside, I am filled with many small seeds.

What Am I?

By Linda Andersen

I grow on vines on the ground.

My name is a compound word. That means two small words make up my long name.

You eat me because I am so good. I am very healthy. I have a lot of water.

A red-bordered box containing a cartoon superhero character on the left, wearing a red suit and blue cape, holding a watermelon. To the right of the character, the word "PREVIEW" is written in large, bold, red letters with a black outline. Below "PREVIEW" is the text "Please log in or register to download the printable version of this worksheet." in a smaller black font.

What color am I? I am green on the outside. I am usually a red-pink color on the inside. My inside can also be orange, yellow, or white.

Be careful if you pick me up. I am rather heavy and, if you drop me, I will break open. Inside, I am filled with many small seeds.

What am I?

Answer: I am a watermelon.
