What am I?

Wednesday's
Clue

People got the juice for the candy from the root of the mallow plant. The mallow plants grew in wet places, called marshes.

B-5

What am I?

Thursday's
Clue

I am no longer good for sore throats because people today put gelatin in me instead of mallow juice. They make a fluffy mix of sugar, water, gelatin, and other things. They put me in long tubes. Then they cut me into pieces.
