Monday's  
Clue

When you were born you probably weighed about seven or eight pounds. When I was born I was very small. I weighed just over one pound.

I grew, and grew, and grew! As an adult, I can weigh more than one thousand pounds!

What am I?

Friday's  
Clue

My paws are huge. They are good for walking on ice and snow. When I am in the water, they are like paddles. They help me to swim

What am I?

Bonus  
Clue

I have two layers of fur that also help to keep me warm. My fur is usually white. It can also be creamy yellow or light brown.
