

What am I?

Monday's  
Clue

I am a unique creature. One unique thing about me is that I have three hearts. Two of my hearts pump blood to my gills. My third heart pumps blood throughout my body.

Not only do I have three hearts

What am I?

Tuesday's  
Clue

Nearly 300 species of me exist. The smallest of my species is about the size of a quarter. The largest of my species would just fit into a two-car garage.

What am I?

Clue

Let me tell you about one of my special abilities. If another creature tries to attack me, I can spray a cloud of an ink-like substance so that my attacker can't see me.

D-7

What am I?

Clue

I have no bones so I can bend my body easily. I can squeeze myself through very small spaces.

If I lose one of my arms, a new one will grow back.

I have special skin cells that allow me to change my color to match my surroundings. This ability also helps me to escape from enemies.

D-7

What am I?

Friday's  
Clue

I am in a category of animals called the invertebrates.

Scientists say that I am the smartest of the invertebrates. I am able to recognize individual people. If I am put in a tank at an aquarium, I can sometimes figure

What am I?

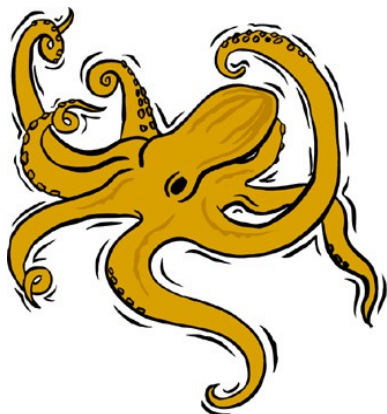

Bonus  
Clue

I am unique in that I have so many arms – eight of them in fact. I use my arms to grab things and to crawl on the floor of my home, which is usually the ocean or sea.
