Colonial America Scavenger Hunt Activity

Materials:
- Colonial America questions worksheet (pages 2-3)
- 18 Colonial America fact cards (pages 4-8)
- Tape and scissors

Preparation:
Print the fact cards on card stock or brightly-colored paper and cut them apart along the dotted lines.

Make copies of the Colonial America questions worksheet (2-sided).

Activity:
Students receive a copy of the question worksheet. They have to search the room and find all of the fact cards to answer the questions. After they have completed the question sheet, you can go over the answers together with the class.

Management tips:
You may want to make this a silent activity so students don’t share answers with each other.

You can have students work alone or with a classmate.

Don’t be afraid to hide the facts in tough places. Students usually find the game more fun when they have to search around a little.

Examples of good hiding spots might include:
- the back of the classroom door
- laying flat on the bookshelf
- on the side of your computer monitor
- sticking out of a book, like a bookmark

Have a plan for students who finish early. You may want to have an assignment for them to complete when they’re done, or you may have them help other students find fact cards.
