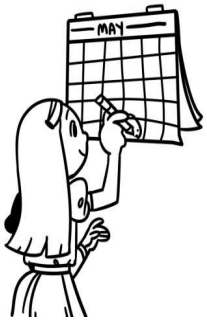
Name: _____

Using Commas When Writing Dates

When writing out a date, place a comma between the day and date.

example:

I was born on February 28, 2010.
Place a comma between the numbers *28* and *2010*.



Also place a comma between the day of the week and the month.

example:

My brother will be 30 years on Tuesday, May 26, 2020.
Place a comma between the words Tuesday and May.
Place another comma between the numbers *26* and *2020*.
