The words **loose** and **lose** are often confused, but they mean different things.

**Loose** is the opposite of tight.

examples: If your pants are too **loose**, they might fall down.  
There is a **loose** screw on my lawn mower.

**Lose** means to be unable to find something or unable to keep something. It is also the opposite of win.

examples: Bobby holds onto to his teddy bear tightly so he does not **lose** it.  
The children will be disappointed if they **lose** the soccer game.

Write the word **loose** or **lose** in each blank to correctly complete the sentence.

4. “Keep all your assignments in your notebook so you don’t ___________ any of your work,” advised Mrs. McGee.

5. Tamara watched the horses run _______________ in the pasture.

6. “Win or ______________, being a good sport is the most important thing,” said Coach Brown.

7. Watch the clock so that you don’t ______________ track of time.

8. The wheel fell off of the wagon because the bolts were ________________.

9. Please carefully shut the cage door so that the hamster doesn’t get ________________.

10. I taped a big blue flower on the end of my pencil because I didn’t want to ______________ it.
