

Name: _____

Using Conjunctions

A conjunction is a word that is used to combine sentences, phrases, or words.

Writers will often use conjunctions to combine two short sentences into one longer sentence.

The three most common conjunctions are and, but, and or.

two short sentences: C.J. wanted to go skateboarding with his friends.
It was raining outside.

one longer sentence: C.J. wanted to go skateboarding with his friends, but it was raining outside.

When your new sentence contains two complete sentences, use a comma before the conjunction.

Combine each pair of sentences with the conjunction in parenthesis to make a new sentence.
