Counting Money

When you count money, write a running total.

example:

1 dollar $1.00
1 dollar $2.00
1 dollar $3.00
3 quarters $0.75
4 dimes $0.40
5 nickels $0.25
3 pennies $0.03

total: $3.15

Count the money and write the amount.

1 dollar $1.00
1 quarter $0.25

1 dollar $1.00
1 quarter $0.25
1 dime $0.10
1 nickel $0.05
2 pennies $0.02

1 dollar $1.00
1 quarter $0.25
1 nickel $0.05
1 penny $0.01

total: ________

total: ________

total: ________
