Money Matching Game

Materials:
Money cards (pages 2-4)

Set up:
Print the cards on card stock.
Cut the cards on the dotted lines.
Laminate the cards, if desired.

How to Play:
Lay all of the cards on the table and mix them up. Students will try to make sets of cards that include the picture of the coin, the coin name, and the money amount.

example:
These cards make a set:

Teaching Tips:
This game can be played in a math learning center, or in small groups.
You may want to have students glue matching sets of cards onto construction paper to make a poster.
