The Missing Pencil

by S.V. Richard

Matt was ready to do his homework.

He opened his pencil case. His pencil was not there. "Oh no! Where is my pencil?" Matt asked.

Matt looked in his backpack. His pencil was not there. Matt looked on the floor. His pencil was nowhere to be found!

"Mom, I can't find my pencil!" Matt yelled.

Mom walked into his room and pointed to the mirror. She said, "Look over there."
