Measuring Angles

Using a protractor, measure the angles.

∠DEF = ____________  ∠RST = ____________

∠LMN = ____________  ∠ABC = ____________

∠UVW = ____________  ∠GHI = ____________
Using a protractor, measure the angles.

\[ \angle DEF = 170^\circ \]
\[ \angle RST = 15^\circ \]

\[ \angle UVW = 75^\circ \]
\[ \angle GHI = 140^\circ \]
