

Histogram Matching Game

- symmetric
- no gaps
- center is around 6-7
- range of about 9

Instructions

- Separate the cards into two groups, histograms and descriptions.
- Keep the groups separate and place all the cards face down.
- Turn over one card from each group to find a histogram and a description.
- If you find a match, ask a friend to verify, then keep the cards.
If they are not a match, flip them back over. It is the next player's turn.
