

Hispanic Countries/Territories Matching Game

Objective:

This game is played like the memory match card game that many children are familiar with. It is designed to reinforce their knowledge of Spanish-speaking countries and territories honored during Hispanic Heritage Month.

Materials:

- matching cards (2–6)

Set up:

Print the cards on card stock.
Cut the cards on the dotted lines.

How to play:

Mix up the cards and lay them all upside-down on the table in a grid pattern. Players will try to flip pairs of cards for the same country or territory.

Player 1 flips two cards. If the cards match, he or she gets to keep both cards. If the cards do not match, then the cards are flipped back upside-down.

Then player 2 gets a turn to try to flip matching cards. Players alternate until all cards have been removed from the game. When the game is over, the player with the most cards is the winner.
