

Make a Leprechaun

with Arms and Legs that Move

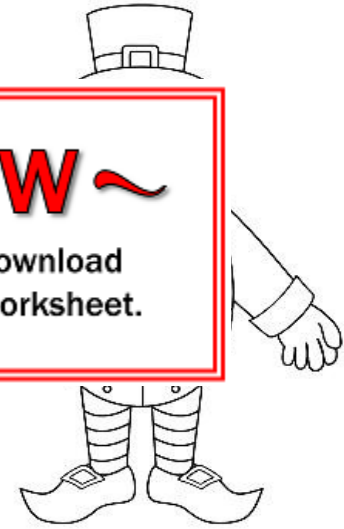

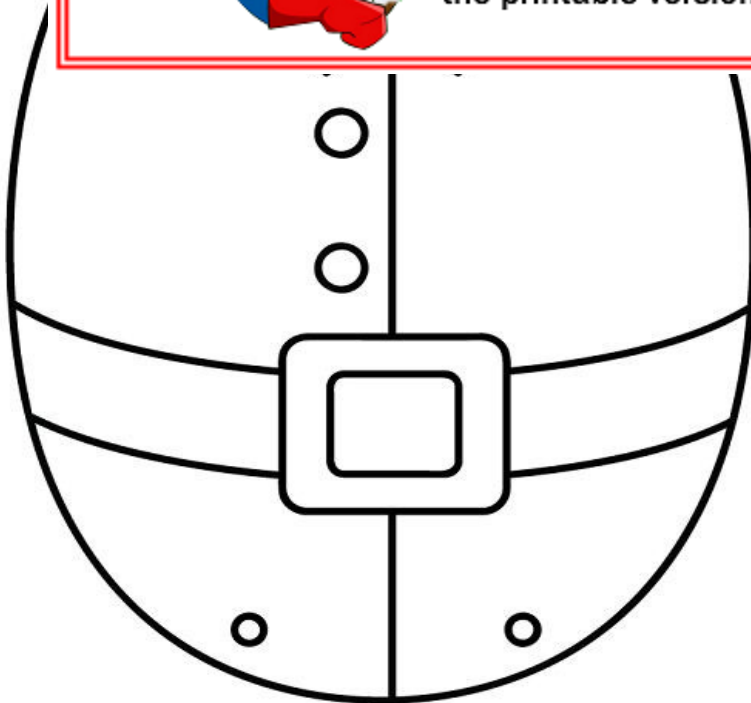

Step 1: Color the leprechaun's parts.

Step 2: Cut out the body, arms, and legs.

Step 3: Attach the limbs with brass paper fasteners.

Your finished leprechaun will look like this:

A red-bordered banner containing a cartoon superhero character on the left, wearing a red suit and blue cape, flying. To the right of the character, the word "PREVIEW" is written in large, bold, red letters with a wavy underline. Below the word, the text "Please log in or register to download the printable version of this worksheet." is written in a smaller, black font. A hand is visible on the right side of the banner, appearing to hold it.
