Graph the inequalities.

1. \( x > 2 + 7 \)
2. \( k \leq 12 - 8 \)
3. \( 5 + 2 \geq b \)
4. \( 51 + 32 < r \)
5. \( y \geq 150 + 150 \)
6. \( p \leq 1,000 - 250 \)
7. \( 98 - 89 < m \)
Graph the inequalities.

1. \( x > 2 + 7 \)

2. \( k \leq 12 - 8 \)

3. \( 5 + 2 > b \)

(Note: For #10, the scale is unimportant as long as it is on 9, the circle is not filled, and the arrow points the correct direction.)
