

Cut out the map along the dotted lines. Apply glue to the grey areas and glue the map pieces together. Color the map using the following the directions:

- **North America - Green**
- **Europe - Orange**
- **Asia - Brown**
- **Antarctica - Leave White**
- **South America - Yellow**
- **Australia - Red**
- **Africa - Purple**
- **All Oceans and Seas - Blue**

Cut out the labels below the map and glue them onto the correct continents and oceans.
