Match and Glue

Give your students large pieces of 9 x 12 construction paper and the coin puzzle pieces. Have students find matching coin sets and answers. They can glue the matches on to the paper.

Find the Incorrect Match

Attach three problems and answers to a sheet of construction paper. Two matches should be correct. One should be incorrect. Laminate. Have students identify the incorrect match.

Race to Match

Give two (or more) students a set of coin cards. Have them race to see who can correctly match all of the cards first.
