Place ... round the room. (Examples: on the classr... attached to a student's d... ing from the classroom bookshelf) Stud... earch for the cards and co... ns.

5. Morning Challe...
Place all of the task... classroom in the morning, they choose ... e coins.

6. Interactive White Board Lessons
If you have a document camera attached to an interactive white board, you can display task cards for students to count the coins.

7. Extra Help
Have a parent, friend, or volunteer sit with individual students who need extra help. They can practice by counting the coins on the task cards together.
