

Letter to Your MOM

Part 1:

Write a very special friendly letter to your mom. In your letter, be sure you tell your mother why she is special to you and why you love her. Back up your main ideas with specific details.

You should include the five basic parts of a letter.

- the date (Write out the full name of the month. example: May 13, 2012)
- a greeting (Dear Mom,)
- a body (Write several sentences.)
- a closing (Love,)
- your signature (Sign your name in cursive.)

Do your very best work and write neatly.

Part 2:

Draw a special picture that you can give to your mom with the letter. Your picture should have lots of colors and detail.

You might draw a picture of you and your mom spending time together, or you might draw some of your mom's favorite things.

Part 3:

Decorate an envelope for your letter and picture. Write "Mom" on the front.
