Name: _____

Plural Possessive Nouns

A noun that shows ownership by more than one person is a **plural possessive noun**.

Add an **apostrophe (')** to a plural noun that ends in -s to make it possessive.

example:

The <u>ships'</u> flags were waving in the wind.

My <u>parents'</u> bedroom has a large closet.

Add an **apostrophe (')** and an - **s** to form the possessive of plural nouns that do not already end in - s.

example:

The <u>children's</u> toys were scattered all over the floor.

The <u>women's</u> softball team won first place.

Write the plural possessive form of each word in the (   ) on the blank line.
