Possessive Nouns Scavenger Hunt Activity

Materials:
Possessive Nouns worksheets (pages 6-7)
16 possessive nouns cards (pages 2-5)
Tape and scissors

Preparation:
Print the possessive noun cards on card stock or brightly colored paper and cut them out along the dotted lines.

Make copies of the worksheets. Each student will need his or her own copy.

Hide the 16 possessive noun cards around your classroom where students will be able to find them. You can put them on chairs, on the computer keyboard, on the back of the classroom door, on the sides of student desks, on the chalkboard, or wherever you like.

Activity:
Students receive a copy of the worksheets. They have to search the room and find all of the cards to rewrite the statements in the form of a possessive noun.

After they have completed the worksheets, you can go over the answers together with the class.

Management tips:
You may want to make this a silent activity so students don’t share answers with each other. The students can work alone or with a classmate.

Don’t be afraid to hide the cards in tough places. Students often think it is more fun when they have to search around.

Have a plan for students who finish early. You may want to have an assignment for them to complete when they are done, or you may have them help other students find the cards.
