

Name: \_\_\_\_\_

## Personification Sort

**Personification** is the use of humanlike characteristics or qualities, such as certain actions or emotions, to describe nonhuman things, such as animals, objects, or ideas. It is a kind of figurative language.

Cut out the sentence cards. Sort the cards into two groups: containing or not containing personification. Then glue or tape the cards into the correct columns on page 2.

1

The days of Ayan's vacation all blur together in his mind.

2

The leaves waved goodbye to fall as they dropped off the trees.
