

# Phonics: Dr- Blends Card Game

These cards can be used many different ways.

Here are a few ideas:

## 1. Memory Match Game

Flip the cards upside-down on a table. Students take turns flipping pairs of cards. If students flip two cards that go together (ex: picture of a drum and the word *drum*.), then they get to keep both cards. The player with the most matches wins.

## 2. Make a Poster

Cut apart the cards and lay them on the table. Students match the picture and word cards together. Color the picture. Then glue the picture with the word onto a large sheet of construction paper.

## 3. Notebook Flip

Students can make a flip-up reading activity in their reading/writing notebooks. Students glue the word card to a page in their notebooks. Then glue or tape the picture card over the top so that it can be flipped up to reveal the word below.

## 4. Dry Erase Writing

Laminate the picture cards. Students can use dry erase markers to complete the words on the cards.

## 5. Alphabetical Order

Cut apart the word cards. Have students place them in a line, in alphabetical order.
