1. You may have students simply match the words and pictures. Have them spell and read the words as they do this.

2. Use the cards to play a memory-match game with two or more students. Flip the cards upside down. Students take turns flipping pairs of cards in an attempt to find a matching pair. Pairs of matching cards are kept by the player. The student with the most cards at the end of the game is the winner.

3. Use just the picture cards. Have the students spell the names of the items shown on paper, or with plastic letters.
