I Have...Who Has...

CVVC Words

How to play the game:

- Distribute the cards randomly to your students. Some students may get more than one card.
- Select a student to begin by reading their card aloud. (example: I have said. Who has bead?)
- The student who has the card with the correct answer to the previous student's "Who Has..." question reads their card aloud. (example: I have bead. Who has feed?) And so on.
- Students must listen for their turn and try not to break the chain.
- When the chain circles around to the first student, the game is over.

Suggestions:

- Print out the "I Have, Who Has" flashcards on card stock and laminate them so they will last for [illegible] to come.
